Chain 8KS85 black

VERSATILE SECURING OPTIONS

Padlocks in combination with cables and chains provide suitable protection for a variety of objects.

High-security chains with hardened staples aren't just for securing bikes. They can also secure ladders, garbage cans, and other objects outside the company. Cables and chains also offer versatile security options in public areas - from the chairs outside cafés to the machinery on the construction site.

Technologies

- Security chain made of special hardened steel
- Top security against all types of aggressive attacks
- Fabric sleeve prevents paint work and chrome from damage
- Chains in barrels: customized lengths available
