Smiley 2.0 sparkling green S

SAFETY RIGHT FROM THE START

The SMILEY 2.0 from ABUS provides little cyclists with everyday all-round protection. Comical designs, very easy adaptability and ideal ventilation make this bike helmet the ideal companion.

Whether your child is still sitting in the child seat, has progressed to the training bike or is trying their own child's bike for the first time - this simple entry-level helmet with imaginative designs offers reliable protection. With the small visor and the deep neck area, the SMILEY 2.0 protects your child's head from all sides. The outer shell is bonded to the shock-absorbing EPS shell through an in-mould process which makes it incredibly sturdy yet light.

Technologies

- In-Mold for a hard-wearing, flat connection to the outer shell and the shock-absorbing helmet material (EPS)
- Visor-like front edge ensuring enhanced protection for the face
- Deep temple and neck area for increased all-round protection
- Zoom Evo Kids - precise adjustment system
- Size adjustment with a full ring made from especially hard-wearing and mouldable plastic for optimum stability and form fitting
- Excellent ventilation with 8 air inlets with fly net
- Colour-coordinated soft straps that are simple to fit thanks to practical sliders
- Passive safety thanks to reflectors
