8808C/110 black

The right combo for proper security

Equipped with a two component moulded digits combination, the lock is easy to use and the digits are permanently visibility.

The complete plastic coating of the lock body and the distinctive textile tube of the chain prevent paint damage on the bike.

Technologies

- 8 mm chain with fabric sleeve to prevent damage to the bicycle‘s paintwork
- The chain is made of specially hardened steel
- Two-component number reels guarantee long-term readability of the digits
- Individually configurable code

Technical data - 8808C/110 black
