Star 490/150 Kids

ABUS SECURITY FOR ALL AGES

With this bicycle lock, children can easily learn to take responsibility. The lock is particularly easy to use.

The Star 490 Kids Coil Cable Lock makes it easy for children to look after their bikes themselves. For example, thanks to the ABUS automatic cylinder, keys aren't needed to activate the lock. And unlocking the device is also really easy with the help of an easy-to-use reversible key. To ensure that the Star 490 Kids Coil Cable Lock is a hit among little ones, it is available in a range of vibrant colours. Of course, adults can also benefit from such a practical and inexpensive lock. We recommend this bicycle lock, which is also available in black, for securing low-cost bikes and as a second lock.

Technologies

- 7.5 mm thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork
- ABUS automatic cylinder with user-friendly reversible key
- Two keys are supplied in the scope of delivery

Operation and use

- Good protection at low theft risk
- Recommended for securing entry-level and children's bikes

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
- The lock is ideal as a second lock for securing components
- This lock is also available in black
