ABUS quality cable lock

The ABUS Tresor 6415C Cable Lock is a bike lock which comes with handy accessories and is a great, everyday supplement to your bike's security. Whether you use the ABUS Tresor 6415C Cable Lock as a single lock in situations where risk of theft is low or as a second lock, you can count on the ABUS quality.

With the ABUS Tresor 6415C Cable Lock, the essence is in the details: inside the discreet black PVC sleeve is a 15mm-thick, high-quality steel cable. The ABUS Tresor 6415C Cable Lock is available in 85 and 120cm, so you can choose the ideal version for your needs.

Technologies

- 15 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle’s paintwork
- Dark-touch function enables use in the dark, thanks to special number embossing
- Two-component number reels ensure long-term readability of the digits
- The number code can be set individually

Operation and use

- Great protection where there is a low risk of theft
- Recommended for securing inexpensive bikes

Tips

- Cable locks boast excellent flexibility with a relatively low weight
- The combination lock is great for use by several people
