Aduro 2.0 gold prism S

SPORTY ALL-ROUNDER

The Aduro 2.0 bicycle helmet from ABUS is the perfect companion for trips through the city. Secure, individually adaptable and particularly comfortable.

A helmet prevents serious head injuries during falls - during sports and in everyday life. Therefore a helmet should always be worn when cycling. A current helmet, such as the Aduro 2.0 road helmet from ABUS with its dynamic design looks particularly sporty and modern. The very good ventilation properties ensure pleasant wearing comfort and the Aduro 2.0 also leaves nothing to be desired in terms of colour selection.

Technologies

- In-Mold for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- Removable visor
- Zoom Evo Adult – fine adjustment system with a non-slip adjusting wheel
- LED light in the adjustment wheel for additional security at dusk or in the dark
- Size adjustment via a solid ring made of 2 plastic components for optimum stability and positive fit
- Excellent ventilation with 11 air inlets and 3 air outlets connected with flow channels
- Foamed-in fly nets
- Removable and washable padding with maximum wearing comfort
- Soft, colour-coordinated straps that are simple to adjust thanks to practical belt tensioners
- Passive safety due to large-area reflectors with particularly high reflection effect
