

2,5" Internal Hard Disk Drive with 1 TB Capacity

Art.-Nr. TVVR36000H

Seite 1 von 1

Professional data storage

The 1TB, 2.5" hard disk drive works particularly well in combination with the TVVR36000 4-channel network video recorder and the TVVR33004 and TVVR33008 analogue HD digital recorders. It has been optimally designed for use in 24/7 security applications and video surveillance, guaranteeing rapid, noiseless storage of data.

Technologies

- Low energy use, quiet and fast
- Ideal for the 4-channel digital recorder TVVR30004/TVVR36000

Technical data - 2,5" Internal Hard Disk Drive with 1 TB Capacity

Connections	S-ATA
Dimensions	70 x 10 x 100 mm
Height	10 mm
Length	100 mm
Max. operating temperature	60 °C
Min. operating temperature	0 °C
Net weight	0,095 kg
Power consumption	1,4 W
Storage capacity	1.000
Width	70 mm
