

The Installation Box is an optional accessory for the IP Mini Dome IPCB42510A/B/C, IPCB42515A, IPCB44510A/B/C, IPCB42501, IPCB42551.

If the Wall Mount TVAC31450 is fitted together with the Installation Box, the latter will house the connecting cables, providing protection and insulation for the cabling against moisture both indoors and out. This provides the best possible level of protection for the cable, ensuring it is not affected by environmental factors or tampering.

Technologies

- Can only be used in combination with TVAC31450
- For protecting wiring both indoors and outdoors
- Sturdy aluminium construction
- Colour: white
