

Bases for rollable door/stair gate JC9518 BEN

Seite 1 von 1

Bases for BEN

Our BEN door and stair blind can be quickly rolled out and fixed between doors and passageways. Practical: The matching BEN JC9518 base provides a good grip.

Our practical base for the BEN door and stair blind compensates very well for distances of up to approx. 20 millimetres between skirting boards and the wall on which the stair gate is mounted. The scope of delivery includes two times three bases (for left and right) as well as screws and dowels for wall mounting.

Technologies

- Compensates for height differences up to 20 mm
- 3 bases per side (left and right) included in the set
- 3 mm, 6 mm, 9 mm
- Includes longer screws and matching dowels

Operation and use

- Bases for easy mounting of the BEN door/stair gate with existing skirting boards.

Variants

- Finish like JC9514 BEN, grey
