Day/Night Mini Outdoor Dome Camera

ABUS
Security Tech Germany

Unobtrusive monitoring indoors or outdoors
The analogue day/night outdoor dome camera is the ideal supplement to the TWR33601 4-channel recorder and the TVVR33620D/T video surveillance kit. It stands out with its plain design and high protection class (IP67), which means it can be used both outdoors and indoors. The camera has integrated IR LEDs for 24/7 use both day and night.
With a high, detailed resolution of 600 TVL, it delivers precise video images for accurate recognition of persons.

Flexible mounting options
Fast and easy installation is guaranteed with the 30 m combination cable and power supply unit provided.

The effective IR range will depend on the installation location. If there are surfaces that absorb light or no objects that reflect IR light in the field of view, the IR range will be reduced and/or the video image will be too dark. Reflective objects in the immediate vicinity of the camera (e.g. roof gutter or wall) may also result in the reflection of IR light, which can disturb the image.

Technologies

- Compact day/night vision mini outdoor dome camera
- Varied camera installation options - whether indoors or outdoors
- Simple design and high protection class (IP67)
- High detailed resolution, thanks to 600 TVL
- 1 x 30 metre coaxial cable included
- Ideal for extension of TVVR33601 or TVVR33620D

Day/Night Mini Outdoor Dome Camera

Technical data - Day/Night Mini Outdoor Dome Camera

DC voltage supply	12 V
Day/night switching	Electromechanical IR-cut filter
Design	Dome
Dimensions	90 x 90 x 68 mm
Focal length	2,8 mm
Gross weight	1,3 kg
Horizontal viewing angle	75 °
IP protection class	67
IR LEDs	Yes
IR range (up to)	20 m
Image sensor	1/2.8" Progressive Scan CMOS
Max. humidity	90 %
Max. operating temperature	60 °C
Min. operating temperature	-20 °C
Minimum illumination (IR)	0 lx
Minimum illumination (colour)	0,1 lx
Net weight	0,25 kg
Resolution	720 x 480
Technology	Analog
Video output	1.0 Vss
White balance	Auto
