

THE COMPANION TO YOUR BORDO

This bike lock holder makes your BORDO 6200K the ultimate travel companion.

Thanks to the practical fixing strap holder, the SH 6200K can be mounted quickly and easily, even on bikes with small frame geometry. Once attached, the lock can simply be inserted and removed from the front so that the holder takes up hardly any space.

Operation and use

- For easy transport of the BORDO 6200K
- Easy mounting thanks to practical fixing strap holder
- Does not require much space, as the lock can be removed from the front
- Ideal for small bike frames
