

# BORDO™ 6000/90 black SH

## Technologies

- 5 mm bars with extra-soft two-component casing to prevent damage to paintwork
- The bars and body are made of specially hardened steel
- Bars are linked with special rivets
- ABUS Plus cylinder for a high level of protection against tampering, e.g. picking

## Usage

- Outstanding protection in situations where there is a medium risk of theft
- Ideal for securing high-cost bicycles
- The longer the chain, the easier it is to lock the bicycle to a fixed object

## Tips

- This lock can be ordered with other keyed-alike locks, all of which are operated using the same key or locking method
- BORDO™ family: Perfect combination of durability, flexibility, weight and transport dimensions
