SAFETY IN A COOL DESIGN

A helmet as individual as its wearer. A helmet for trend setters and urban cyclists who attach great importance to style in addition to safety and comfort.

With its angular, reduced shape and refreshing, striking designs, the Yadd-I #credition stands out from the crowd and demonstrates its individual character. The polygon design, which has won the PlusX Award, reflects differently depending on the incidence of light, creating a striking visual feature. The urban bike helmet stands for maximum safety in a modern look. This helmet from ABUS attracts the right kind of attention and is ideal for use in the city, on the way to the office or for a weekend excursion.

Technologies

- In-Mold for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- Soft Tune System – elastic, variable adjustment system for a secure fit and outstanding comfort
- Forced Air Cooling Technology – intelligent ventilation system with five ventilation holes connected to one another by specially designed flow ducts
- Removable and washable padding with maximum wearing comfort
- Soft straps that are simple to fit thanks to practical strap adjusters
- Removable fabric visor
