

FIVE BRIGHT COLOURS

Because there is room on the smallest bridge: five bright colours for our love locks, the 72LL/40 LoveLock series.

Time for love, time for an ABUS Love Lock: This makes the vow of love on the bridge railing perfect for lovers not only on Valentine's Day, but every day of the year. A personal, individual engraving with names and/or wedding date, date of acquaintance or anniversary is possible on the back. And with high corrosion protection, your love is sure to stand the test of time. And if you prefer to lock your cellar, toolbox, doors, lockers and the like with a Love Lock, of course we have nothing against that either. And for new parents, there's our Baby Locks to match.
