

# Universal bolt JC1100A DANNI

Seite 1 von 1

## THIS DRAWER STAYS CLOSED

Secure cupboards and chests of drawers with the DANNI universal bolt

When the little world explorers carry towels, tablecloths, your jumpers and more out of the cupboards and drawers, it is annoying, but nothing bad can happen.

Fabrics are soft and cannot harm children's sensitive skin. However, it would be different for cleaning products, medicines, scissors, fairs and more. Take precautions and secure your cupboards and drawers - for example with our universal bolt DANNI. Just stick it on, done.

## Technologies

- The bolt can be opened from both sides using a push button
- Simple installation thanks to 3M adhesive tabs (included in the scope of delivery)

## Operation and use

- Locks cupboard doors and drawers, and protects children from, for example, dangerous substances (medicines, cleaning agents) or other household items (scissors, knives etc.)
- For cupboards and chests of drawers

## Technical data - Universal bolt JC1100A DANNI
