SECURE CONTROL PANELS, CONTROLS AND PLUGS AGAINST UNAUTHORISED ACCESS

Striking red colour plus drawstring bag made of lightweight, durable material

The eye-catching, signal red colour of the P616 console lock ensures that accidental or unauthorised access is prevented. The drawstring bag is also made from lightweight yet durable material. It is closed using a drawstring, which is secured with a padlock.

Technologies

- Made from light yet durable polyester
- Drawstring closure
- Drawstring with five opposing metallic eyes for flexible closure

Operation and use

- Secure large plugs and consoles with a padlock or a hasp for added protection.
- Flexible, water-repellent and resistant to heat and dirt
- Easy to use

Tips

- Should there still be a risk of manipulation, control panels can also be concealed in a standard plastic tube to prevent switches and buttons from being felt.
