

LED light Lumino Easy Magnet Light yellow

BLINK!, BLINK!

The Lumino Easy Magnet Light with magnetic clasp can be seen from up to 150 metres in the dark.

To be safe on the road in autumn, winter, at dusk or in the dark, it is important to be visible, especially in road traffic. For example, with our practical LED light that you can attach to your backpack, bike or jacket, among other things. At the touch of a button, you can also set whether the four LEDs should shine brightly continuously or switch to flashing light. Thanks to the waterproof exterior, the light band can also be used in the rain. Tip: To increase safety even more, clip the LED light to the tab on the back of our Lumino Reflex and Lumino Urban safety vests.

Technologies

- Continuous light and flashing light function at the touch of a button
- Rechargeable via micro USB
- High-quality high-gloss material, yellow with 4 red LEDs
