Backpack cover Lumino Night Cover yellow

Visible rain cover

Bad weather is no longer an excuse: With the Lumino Night Cover, you can protect your backpack in bad weather and at the same time ensure that you are not overlooked in traffic

 Commute to work by bike? With the right clothes, even bad weather is no longer an obstacle. Simply pull the waterproof rain cover over your backpack and protect the contents from getting wet. Thanks to the yellow material, the wide reflector strip and the rechargeable USB rear light, you will increase your visibility in road traffic - both during the day and at dusk and dawn. The 2 adjustable elastic straps help to fit the cover to your backpack.

Technologies

- Rain cover with integrated USB backlight - made of four powerful red LEDs
- Continuous and flashing light function at the touch of a button
- Rechargeable via USB port
- LED light shines for up to 10 hours (after charging)
- 2 adjustable elastic straps for fitting to the backpack
- Visibility of 150 metres at night and 100 metres during the day
- Good workmanship thanks to welded seams
- Waterproof rain cover

Operation and use

- To be visible in low light and weather conditions
- Protects the backpack from external influences such as rain and snow
