20 KEYS OR 17 PLASTIC CARDS

Our KeyGarage™ 767 has an individually resettable number code and is suitable for storing keys and cards.

A home for all your keys: Our KeyGarage™ 767 is a convenient and secure way to store your keys and cards. Inside the strong metal housing there is room for up to 20 keys and 17 cards. The metal housing can only be opened with a number code. This means that only authorised persons have access, which is particularly useful for frequently changing groups of people: Craftsmen, holiday guests, vehicle rentals, nursing staff and the like. The push-button keypad is covered by a robust closure flap. In protected outdoor areas, the 767 can be mounted on the wall.

Technologies

- Solid metal housing
- Locking cover made from zinc die-cast
- Code up to 10 digits individually resettable (the sequence of the code is irrelevant)
- Code needs to be entered in order to close the locking cover
- Plastic cover to protect against dust, dirt, etc.
- For wall fixing with screws
- Holds up to 17 cards or 20 keys
- Outer dimensions of housing: 84 x 119 x 47

Operation and use
