

COMBINATION LOCK WITH DESIRED CODE

You and your family will have this bicycle lock for a long time. With 2-component numbering rollers and special number embossing.

The Spiral Cable Lock Number 5510C from ABUS has everything you could wish for in a combination lock. For example, you can easily set your own combination of numbers. A special dark-touch function facilitates the use of the bicycle lock in the dark thanks to a special imprinting. The

two-component numbering rollers round off the comfort package by ensuring the digits always remain legible. We recommend using the Spiral Cable Lock Number 5510C to secure entry-level bicycles and children's bicycles.
