

83/60-5 EPZ without conventional cylinder

THE ROCK AMONG THE LOCKS

Ideal for demanding operations, harsh weather conditions, and maximum flexibility: The 83/60-5 Rock padlock sets new standards when it comes to protecting large valuables.

The 83/60-5 Rock is a robust security solution designed for various applications, from agriculture to construction sites and cargo ships. Crafted from hardened special steel with a Nano Protect™ coating, this weatherproof padlock offers exceptional durability and corrosion resistance. It's versatile and suitable for securing containers, cranes, warehouses, and gates.

You have the flexibility to choose between a fixed or fully removable shackle, making it perfect for hard-to-reach areas. The 83/60-5 Rock is one of our top-tier models for unparalleled security.

Technologies

- Shackle and lock body made of hardened special steel with NANO PROTECT™ coating for extra corrosion resistance
- Protected against drilling or pulling open
- Cylinder can be replaced and re-keyed to match an existing key
