Ultra Combo 410/170HB230 green + bracket SH34

U-LOCK WITH COMBINATION

The Ultra 410 Combo is compact and combines high-quality materials with intelligent locking technology.

Thieves will have a hard time trying to make off with your bike: The Ultra Mini 410 U-Lock just can’t be broken! What features does it have to protect against theft? A 12mm thick rounded shackle which is made of specially hardened steel - just like the body and structural parts of the locking mechanism.

Technologies

- 15/32", hardened steel round shackle
- The shackle, the case as well as supporting elements of the locking are made of specially hardened steel
- Ergonomic shape allows best handling
- Two component moulded digits guarantee life-long visibility
- Individually settable code

Use and application

- Good protection at medium theft risk
- Recommended for securing good bicycles
- The longer the shackle, the easier the bicycle can be locked to a fixed object
