

4650 X R BK OE

Technologies

- 21/64" steel shackle
- The case, the shackle as well as supporting elements of the locking mechanism are made of special hardened steel
- Extreme large aperture for extra wide tires
- Closing mechanism for easy attachment of accessory to the lock body
- The R (key retaining) version holds the key when the lock is open, the NR (non key retaining) version allows taking the key out of the cylinder

Tips

- Frame locks are a convenient protection against unauthorized use of the bicycle
- It is highly recommended to use a second lock besides the frame lock
